Eholom uBrocho:

I am in receipt of your letter, and, as Requested, I will remember you and your children in prayer, especially that you should have true Yiddish Torah Nachas from all your children, in good health and ample Parnosso to a ripe old age.

I trust that your home is conducted in a way that serves as an example and inspiration as to how a Jewish home should be conducted.

If your Tefillin, and the Mezuzoth in your home, have not been checked within the last twelve months, I suggest you should have them checked. No doubt your wife knows of, and observes, the good custom of putting aside a small coin for Tzedoko before lighting the candles.

Wishing you and yours a kesivo vachasimo toivo,

With blessing,

By *Shmuel Shaindel*
