Blessing and Greeting:

I am in receipt of your letter of May 3, and the preceding one. As requested, I will again remember you in prayer when visiting the holy resting place of my father-in-law of saintly memory.

As we have just celebrated the Season of Our Liberation, may G-d grant that it bring liberation from anxiety and problems, to each according to one's needs. Moreover, we have now entered the month which is called "Ziv" ("illumination") in T'NaCh, since it is the month of increased sunshine. May it therefore bring brighter days to you in every respect, including your personal affairs as well as true Yiddish Nachas from your children.

When your plans for your trip will be more definite, please let me know, as also your address, so that you could come in contact with some of our friends in that area.

I hope this letter finds you in improved health and happy frame of mind.

With blessing, *M. Schneerson*

The enclosed Pesach Message has a bearing on the above. I trust you will find it interesting.
