Blessing and Greeting:

I received your letter of March 12th, and as requested I will remember you in prayer when visiting the holy resting place of my father-in-law of saintly memory, for an improvement in your health.

Inasmuch as you write that you breast-feed your baby and that during this time you are taking certain drugs, it would be well to check with a children's specialist to ascertain whether the drugs are compatible with your breast-feeding the baby.

I trust that you duly received my letter in connection with the birth of your daughter.

Wishing you and yours a happy and inspiring Purim,

With blessing,

By *Menachem Schneier*
