Blessing and Greeting:

Although you were, of course, included in my letter for Shovuoth to your husband HaR: I wish to add that I recently had the pleasure of a visit from Mr. Zippel, who gave me an enthusiastic report of the achievements in general, and of the respect and honor which you, your husband and sister are accorded in the community. May G-d grant that this continues in a growing measure.

Please convey the above, together with my regards.

With blessing
