Blessing and Greeting:

Thank you for your letter of the 12th of Tishrei, reporting on the latest meeting.

At this time, coming from the joyous festival of Simchas Torah, the culmination of all the holy days of Tishrei, with its concluding message of rejoicing with the Torah and Mitzvoth, that is to say, not only the inspiration to adhere to the Torah and Mitzvoth in the daily life, but to do so with true joy, may G-d grant that this inspiration be with you and all the members of your group throughout the year. And since G-d's reward is "in kind" and in a most generous measure, the rejoicing of Jews with G-d brings forth G-d's rejoicing with Jews and His granting them a generous measure of blessings, materially and spiritually.

Please convey my prayerful wishes to the entire group and their families.

With blessing,

By *Moshe Shindler*
