Mr. Zalmen Jaffe

Sholom uBrocho:

I duly received your letters, as also your regards through your daughter, who doubtlessly also conveyed my regards to you.

With regard to your future son-in-law's visit I suggested that there should be some external ostensible occasion for his trip to minimize possible criticism.

Wishing you and yours an inspiring Yud and Yud-Tes Kislev, as well as Chanukah,

With blessing

מ' שניאורסאהן
