Sholom uBrocho:

I received your letter, following up the cable that preceded it.

With regard to the business question, you ought to consult with friends locally who are familiar with the details relative to both businesses, your own and and Cymerman's, and may G-d grant that they give you the right advice that is best for you in every respect.

I hope to hear good news from you relative to the above as well as in the matter of a suitable Shidduch.

With blessing

By *Nisim Shiddeh*

I trust you participated in observances of the 24th of Teveth and 10th of Shevat, and may the inspiration find true expression in your daily life and conduct.
