Greeting and Blessing:

After not having heard from you for a very long time, I was pleased to received your letter of March 24th. Since you did not mention anything about personal matters, I assume that all is well with you and your wife and family. But, inasmuch as there is always room for improvement, may G-d grant that however well things are, that they should go from good to better. The merit of your active support of the Lubavitcher Yeshiva, which I trust is also steadily growing, will surely stand you and yours in good stead.

As for the subject matter of your letter, namely your suggested plan to help the Yeshiva, it was forwarded to the Yeshiva administration, from whom you will no doubt hear direct.

At this time, before Pesach, the Festival of our Liberation, I send you and yours my prayerful wishes for a Kosher and happy Pesach. May it bring you, in the midst of all our people, true liberation from anxiety and distraction, in order to be able to serve G-d with joy and gladness of heart.

With blessing *Menachem Schneerson*
