Brooklyn, N.Y.

Mr.....  
London E.5. England

Blessing and Greeting:

I received your letter of the 4th. of Cheshvan, as well as the previous one. I was gratified to read about the success of your activities, and I trust that this success will encourage you and the others to even greater accomplishments. Especially, as it has been explained that when one doubles one's efforts, the results are more than doubled, all the more, when there is a Zechus Morabim.

Please convey my regards and good wishes for success to all your co-workers, and may G-d grant that the success on behalf of others will bring each and every one of you success also in your personal needs.

Especially, as we are now coming from the month of Tishrei, which concludes on the happy note of "Rejoicing with our Torah", and which is the source of good influence for the whole year, materially and spiritually,

With blessing

By Nissan Mindel.
