To the Mothers of the Children of
Oholey Torah,
G-d Bless You

Blessing and Greeting:

I was pleased to receive the report of your first meeting after the Yomim Noroim; of the problems and suggestions discussed at the meeting, and of the election of officers.

May G-d bless with success all the participants, the parents in general, and the officers; that each and everyone should do her full share to strengthen the institution in accordance with the requirements and importance of Chinuch Kosher, and in accordance with the precept of our Torah, Toras Chayim, that matters of holiness should be kept on the upgrade,

Bearing in mind that a precept of the Torah also conveys strength from the Almighty and the capacity to fulfill the precept in the fullest measure.

May it also be His Will that each one of you, individually and collectively, should accomplish the above in good health and with joy and gladness of heart;

And that you should be blessed with true Nachas, which is Yiddish-Chassidish Nachas, from your children, for long life and happy years,

Wishing you Hatzlocho in all the above,
and happy tidings,

/Signed: Menachem Schneerson/
