Greeting and Blessing:

After not having heard from you for some time, I received your letter of the 23rd of Elul. May G-d grant the fulfillment of your heart's desires for good in all the matters about which you write.

I read with special interest about your again being a Madrich in Camp Gan Israel, and I am gratified to read in your letter that you feel that the Camp was successful. I trust that the Madrichim are trying to keep in contact with their campers throughout the year, so that the seeds they planted in them could be watered and cultivated from time to time, in order to produce good fruits. May the Zechus of this work also stand you in good stead.

Wishing you a Kesivo vaChasimo Toivo

With blessing *M. Schneerson*
