Blessing and Greeting:

This is to acknowledge receipt of your
letter of the 23rd of Adar, as well as the
previous one.

As we have entered the month of Geulo
(Deliverance), and will soon celebrate the
Festival of our Freedom, may G-d grant that
every one of us should be delivered and
freed from all anxiety, and from all things
that distract the service of G-d with joy
and gladness of heart. May the personal
redemption of every one individually be a
prelude to the general redemption of our
people through our righteous Moshiach.

Wishing you and yours a happy and
Kosher Pessach

With blessing *M. S. M. Schuman*
