Greeting and Blessing:

In response to your letter of October 5, inasmuch as the Rebbe N"m"v does not sign autographs, we are sending to you a copy of his recent New Year's message which has a photo reproduction of his signature.

A copy of the English translation is also enclosed.

Sincerely,

Sec'y

No doubt you have heard of the three Shiurim of Chumash, Tehillim and Tanya which should be studied each day. If not, then you should begin learning these Shiurim from now on.
