Greeting and Blessing:

I am in receipt of your letter of the  
17th of Sivan.

May G-d grant the fulfillment of your  
heart's desires for good, in all the mat-  
ters about which you write, both insofar as  
you yourself are concerned, as well as in  
your good influence on others.

As we are now approaching the month of  
Tammuz, highlighted by the auspicious days of  
the 12-13th of Tammuz, I trust you are famili-  
ar with the history of these days, and will be  
inspired by their message. And the essential  
message of these days is that where there is  
an unshakable will and determination, a Jew  
can overcome all difficulties, whatever the  
odds may be.

I trust that you are observing the three  
daily Shiurim of Chumash, Tehillim and Tanya.

With blessing
