Blessing and Greeting:

I was pleased to be informed that you
have been accepted at Gateshead.

May G-d grant that you should be completely successful in your studies and general advancement, so that you should be a true source of Nachas to your parents, and a credit to the Jewish people. Needless to say, it is largely a matter of your own will and determination, for, as our Sages said, nothing stands in the way of the will.

Hoping to hear good news from you

With blessing
