Blessing and Greeting:

I received your letter of the 12th of August. As requested, I will remember you in prayer for the fulfillment of your heart's desires for good, in all the matters about which you write.

To a person of your background it is surely unnecessary to emphasize at length that every additional effort to advance in matters of Torah and Mitzvoth in the daily life, in addition to being a must for its own sake, since we are commanded to keep all matters of holiness on the ascendancy, will bring you additional Divine blessings. Moreover, inasmuch as we have been commanded so to do, this in itself is the assurance that it is within our capacities.

You ask what you should do when you graduate from high school. I must admit that it is surprising to me that you should have any doubt as to your further course. For it is obvious that you should continue your studies in an institution which is permeated with the fear of G-d and the love of G-d. Therefore if you plan to continue in the U.S.A., you should apply at the Bais Rivka or Bais Yaakov Seminary, and if you plan to continue in Eretz Yisroel, which is a possibility as you mention, you should also continue in either a Bais Rivka or Bais Yaakov Seminary there.

As for the choice between continuing in the U.S.A. or in Eretz Yisroel, it is well to bear in mind that a trip to Eretz Yisroel entails considerable expense, and also the necessity to make a considerable adjustment. These factors, would, of course, not exist if you continue in a Bais Rivka or Bais Yaakov here.

With reference to tuition expenses, etc., I suggest that when the time approaches, that is soon after Pessach, you should approach the institution and obtain all the information. Since the above mentioned course is the one that you should follow, in accordance with the Torah, I am confident that you will, with G-d's help, succeed in materializing it.

With blessing
