Greeting and Blessing:

I am in receipt of your letter of the 11th of Sivan. I was pleased to read in it about the successful weekend which you organized at Ramsgate. I trust, however, that this is but one activity among many other good activities, though you have not written in detail.

As requested, I will remember you in prayer for the fulfillment of your heart's desires for good, in the matters about which you write. May G-d grant that you should have good news to report, all the more so since your letter was written in the proximity of the festival of Shavuoth, the Season of Our Receiving the Torah, and with it all G-d's blessings.

With blessing
