Manchester 8,

Dear Rabbi Dubov:

As you know, the High Holidays and the Festival of Tabernacles are an occasion for the arrival in New York of many delegates and guests to participate in the services and sermons of our President, Chief Rabbi M.M. Schneerson. As usual, a series of conferences will be haeld during that period, at which various timely problems relating to Jewish religious life both here and abroad will be discussed.

It is a number of years since we had the pleasure of your visit with us, and we are therefore pleased to extend to you again our cordial invitation to be our guest for the forthcoming High Holidays and Festival of Tabernacles. Accomodation by way of room and board will be provided by our organization for the duration of your visit.

Please confirm your acceptance as soon as possible, and duly notify us of the date of your arrival.

Looking forward to welcoming you,

Sincerely yours,
MERKOS L'INYONEI CHINUC, INC.
