Blessing and Greeting:

This is to acknowledge receipt of your letter of the
20th of Teves.

May G-d grant the fulfillment of your heart's desires
for good, especially to have true Yiddish and Chasidish
Torah Nachas from each of your children and grandchildren,
and from all of them together, and may you enjoy it in
good health for many many years.

This letter is being written on Erev Shabbos Mevorchim
Shevat, the month highlighted by the Yahrzeit of my father-
in-law of saintly memory. You surely have heard a great
deal from your son about the life and work of my father-in-
law of saintly memory, especially his dedication and self-
lessness in spreading Yiddishkeit in various parts of the
world, and in his last years, working indefatigably in the
United States, to help change the entire complex of American
Jewry in the direction of Torah and Mitzvoth as a way of
life in the daily life.

May his inspiration be with all of us and stimulate us
to follow in his footsteps, each one to the best of his and
her ability.

With blessing,

M. Schneerson
