Greeting and Blessing:

I was pleased to receive your regards through Rabbi Abraham Sofer Schreiber, who conveyed to me also the gist of your discussion regarding your work. May G-d grant that it should be with much Hatzlocho. Indeed, as has often been mentioned before, I am confident that this will *also* further deepen your impact and influence in the area of traditional Yiddishkeit.

I take this opportunity to express my hearty Mazel Tov on the birth of the granddaughter. May G-d grant that her parents should bring her up to a life of Torah, Chuppah and Good Deeds, and that you should have true Yiddish Nachas from her and all your offspring.

I also take this opportunity to express my prayerful wishes to you on the occasion of Prof. Rosenbloom's birthday.

At this time, approaching the Festival of our Liberation, I hope and pray that it bring you, in the midst of all our Jewish people, true liberation from all negative and distracting things, so that each and every one of us can carry out his task in the service of G-d and our people with joy and gladness of heart.

Wishing you and yours a Kosher and inspiring Pesach,

With blessing,

M. Schneerson
