Greeting and Blessing:

I duly received your letter of October 8th.

Enclosed is a copy of my letter to Mr. H.
Golden, which is self-explanatory.

I take this opportunity of conveying to you
my pleasure of meeting your son Benzion Hakohen,
and getting to know him personally after our
correspondence. I also want to thank you for the
regards which he brought me from you and your
family.

Inasmuch as there is no end to the good, may
G-d grant that you should derive an ever growing
measure of true Nachas from your son Benzion, and
from all your children.

With blessing, *m Schneerson*
