Greeting and Blessing:

I duly received your letter of the 29th of Kislev,
in which you write about your forthcoming birthday.

First of all, I want to wish you a year of Hatzlocho
in every respect, especially in the essential aspect of
receiving aid from On High to fulfill your good resolution
to go from strength to strength in Torah and Mitzvoth.
This is also one of the main messages of the Chanukah
lights, which we kindled in growing numbers from day to
day, indicating the need to spread the light of Torah and
light.

May G-d grant that you should have good news to re-
port in all above.

With blessing,

P.S. With regard to the matter of making a visit here, I
would suggest that you should communicate with Tzeirei
Agudas Chabad, with a view to participating in the forth-
coming "Encounter with Chabad" during the weekend of the
26th - 29th of December. I am confident that you will gain
a great deal from this experience, and may find an answer
to many questions.
