Greeting and Blessing:

I duly received your letter of the 4th of Nissan,
with the enclosure.

In addition to the reports that I regularly receive
from mutual friends about you and your movements and
activities for the dissemination of Torah-true Yiddish-
keit, including your most recent appearance in Skokie,
Ill., it is always pleasant to receive a personal let-
ter directly from you.

May G-d grant that you should go from strength to
strength to spread the light of the Torah and Mitzvoth
in a growing measure, and the zechus Horabim should be
with you.

I particularly appreciate your good wishes and
sentiments in connection with my birthday. In accord-
ance with the Divine Promise to our Patriarch Abraham,
"I will bless them that bless thee," may G-d reciprocate
your blessings "from His full, open, holy and generous
Hand."

With the approach of Pesach, the "Season of our
Liberation," I take this opportunity of extending to you
and yours my prayerful wishes for a joyous and inspiring
Yom Tov, and true liberation from all distractions and
hindrances, materially and spiritually.

With blessing, *M. Schneerson*

P.S.

Your suggestion that your daughter Rochel Naomi attend the
High School in Chicago appears to be ~~favorable~~ *good one*.
