Greeting and Blessing:

I am pleased to acknowledge receipt of your greetings and felicitations on the occasion of my birthday.

I particularly appreciate the warm gesture and honor of the Citation which accompanied your good wishes.

Your warm sentiments and good wishes are all the more meaningful in view of the fact that our movement has found such fertile soil in your great County, where it is rendering dedicated service to the Jewish community, particularly in the area of education and youth activity so vital in the present day and age.

In accordance with the Divine Promise to our Patriarch Abraham, "I will bless them that bless thee," may G-d reciprocate your blessings in a very generous measure.

Cordially,
