Blessing and Greeting:

I duly received your two telegrams and subsequent telephone message.

Although my reply was conveyed to you over the telephone, I am repeating it here for the record, namely, that it is advisable to follow the suggestion of the doctor to try bed rest for a week, and then act on the basis of the results. I note that you are actually following the doctor's recommendation as above.

May G-d grant that you should have good news to report in all above, including the essential blessing that together with your husband you are bringing up your offspring to a life of Torah, Chuppah and Good Deeds.

With blessing,

M. Schneerson
