Mr. Yehoshua Pinchas Pearce

Greeting and Blessing:

I have been informed of your mishap, with a request for your speedy recovery.

I trust that by the time you receive this letter you will have already made a good recovery, and may G-d grant you a Refuo Shleimo.

Having just entered into the new year, which brings renewed Mazal and blessing to all Jews, may it indeed be a good and sweet year for you and all our people, in which, and for many years to come, you should inspire your fellow-Jews, through the Divine gifts which He has bestowed upon you, with true Jewish inspiration in the spirit of our Torah, Toras Chayim, to a deeper meaning in life. All the more so since you are a Kohen, with a great tradition to uphold and perpetuate.

With blessing,

M. Schneerson
