Blessing and Greeting:

In these auspicious days, after just celebrating Purim, I was pleased to receive the good news from our distinguished mutual friend Rabbi A. Kazarnovsky, that the tests, etc., proved satisfactory, after he had reported to me previously about your state of health.

May G-d grant that there should always be good news about you and from you, both in regard to personal matters, as well as in regard to your important activities.

As I had occasion to mention it before, these are particularly auspicious days for all Jews, especially for Jewish women, in view of a Jewish woman's role in the miracle of Purim, as emphasized also by the fact that the Megilla is called not after Mordecai, nor after Mordecai and Esther jointly, but solely after Esther - Megillas Esther. This reminds us again how much a Jewish woman can accomplish, and, indeed, accomplish things which are of eternal importance.

With blessing,

M. Schneerson
