Blessing and Greeting:

I am in receipt of your letter of the 2nd of
Cheshvan, in which you write about the various options
in regard to your plans for the near future.

In general, judging by your writing, it seems clear
that priority should be given to your continuation at
Ohel Chana.

I trust that you have heard about the recent activi-
ty to encourage girls before their marriage, and even
younger girls from the age of Chinuch, to light the
candles on Erev Shabbos and Erev Yom Tov. This is an
area where girls can spread the idea more easily among
their friends, and accomplish more even than grownups.
I trust that you have been active in this direction, as
well as your friends.

very

With blessing

M. Schneerson
