Greeting and Blessing;

Thank you very much for your kind message of good wishes in connection with our 25th Anniversary, which we have just observed.

Your sentiments are particularly welcome and meaningful, in view of your devotion to the work and institutions of Lubavitch in your community and your personal identification with all its activities, particularly the ~~Five~~ Mitzvo Campaigns.

I can best reciprocate your good wishes by reiterating the Divine Promise given to our Patriarch Abraham, "I will bless them that bless thee." Accordingly, may you and yours enjoy G-d's blessings in a very generous measure, "From His full, open, holy and ample Hand."

No doubt Rabbi S.B. Lipskar has conveyed to you the mention of the special significance of the Farbrengen for the fulfillment of good resolutions and good wishes, since these meet with the approval of all present at the Farbrengen, and all who participate in it from a distance.

With blessing,

m. Schneerson
