Greeting and Blessing:

I was pleased to receive your letters and also the reports about your progress. I was especially pleased to note your determination to advance steadily in your Torah studies as well as in your daily conduct in accordance with the Torah. We have the assurance that when a Jew decides to do something good, G-d helps him to carry out his good intention.

May G-d grant that you should always have good news to report, especially as we are now in the auspicious month of Adar, and will soon celebrate the joyous festival of Purim, in which Jewish children had such an important part. More on this in the enclosed copy of my special message to Jewish students.

Wishing each and all of you a joyful and inspiring Purim,

With blessing

M. Schneerson
