Blessing and Greeting:

I have just received your special delivery letter with enclosure, which is returned herewith after perusal.

In my opinion, although you have been advised not to engage a lawyer, in order to save money, etc., it would nevertheless be advisable for you to make this expense and to ~~consult~~ a lawyer, but that he should not reveal to the other party that he has been consulted, and that the other party should not know that you have engaged a lawyer, so as not to create ill feeling unnecessarily, especially since you write that your talk was very friendly.

May G-d "Who feeds and sustains all" provide you also with all your needs, so that you should be able to continue your art work in peace of mind.

Since your letter was sent special delivery, this letter too is sent the same way.

With blessing,

M. Schneerson
