Blessing and Greeting:

After the interval, I was pleased to receive your letter postdated March 15th. It is gratifying to note that the composition contest has proved a great success, and may G-d grant you Hatzlocho also in all other matters.

With regard to the question of the children's play, inasmuch as it is not within my domain, I would suggest that you consult with our Merkos L'Inyonei Chinuch, or the Release Time Administration.

May G-d grant that you should always have good news to report.
