Greeting and Blessing:

I am pleased to acknowledge receipt of your message of greetings and felicitations on the occasion of my recent birthday. Please be assured of my sincere appreciation.

Your warm sentiments are particularly welcome and meaningful in view of the fact that your great country hosts renowned educational and religious institutions sponsored by our Chabad-Lubavitch movement. It is a tribute to your great country and its government that such activities have found fertile soil, which is so vital particularly in the present day and age.

In behalf of our movement, therefore, no less than in my own behalf, I prayerfully reciprocate your good wishes by reiterating the Divine Promise given to our Patriarch Abraham, "I will bless them that bless thee." Accordingly, may you and all the good citizens of Canada enjoy G-d's blessings in a generous measure materially and spiritually.

With blessing,

Cordially yours, *Menachem Schneerson*
