Greeting and Blessing:

On the threshold of the New Year - may it bring good and blessing to all of us and our people Israel,

I extend prayerful wishes to you and yours and the traditional blessing of Kesivo vaChasimo Tovo, for a good and sweet year, materially and spiritually.

I take this opportunity - long overdue, for which please accept my sincere apologies - to convey to you my grateful appreciation of your expert professional services during the emergency. Your warm personal interest and concern meant a great deal to me.

You will be glad to hear that thanks to the All-Merciful Healer of All Flesh Who Works Wondrously - through His human emissaries, your good self included, I am feeling well and fully able to carry on with my duties. May G-d grant you Hatzlocho in bringing healing and cure to all your patients.

With esteem and kindest personal regards,

Cordially yours,

P.S. The enclosed honorarium is merely to compensate for your time, but does not reflect, of course, your inestimable heartwarming attention.
