Greeting and Blessing:

In addition to the periodic regards which I receive from you through our mutual friend, Rabbi Moshe Feller, who always speaks in glowing terms of your devotion and assistance to the Lubavitch activities, I was pleased to receive your (undated) note.

As requested, I will remember you and yours in prayer for the fulfillment of your heart's desires for good, both in your personal affairs, particularly in regard to improvement of Parnosso in the ordinary sense, as well as Hatzlocho in your public activities in behalf of your State and the Nation as a whole, including the Jews in particular.

I am especially gratified to note your role in connection with the forthcoming Annual Bais Chana Scholarship Dinner, which is to take place in the month of Elul, the month of special Divine Grace. I am confident it will be highly successful in every respect.

May G-d grant that you should have good news to report in all above, and that together with an improvement in Parnosso in the ordinary sense, there should be a considerable improvement also in your spiritual Parnosso, through your consistent and growing participation in the work of Lubavitch in the Twin Cities, and that together with your wife you should have true Yiddish Nachas from each and all of your children, in good health and happy circumstances.

Since we are about to enter the month of Elul, when it is customary for Jews to wish each other a Happy New Year, I extend my prayerful wishes to you and all yours for a good and sweet year, both materially and spiritually.

With esteem and
blessing,

M. Schneerson
