Greeting and Blessing:

After not hearing from you for a long time, I received your letter and enclosure.

As requested, I will remember you in prayer for the fulfillment of your heart's desires in general, including Hatzlocho in your newly accepted position in Melbourne in the area of youth activity. You surely know my attitude towards this kind of occupation, and there is no need for me to emphasize to you again the importance of it. May G-d grant that you should have good news to report in this matter, as well as good news about your utilizing the interim period in advancement in all matters of Yiddishkeit, both by yourself as well as your family. All the more so since you are in Eretz Yisroel, Eretz Hakodesh.

I trust that you have had occasion to hear from the returning visitors who were here during the month of Tishrei about all that has been said in connection with the special significance of this year as a year of "Shabbos unto G-d," which particularly emphasizes the importance of Shabbos and the study of Torah, since, "all are agreed that the Torah was given on Shabbos." No doubt you also know of the explanation by the Alter Rebbe about the importance of Limud HaTorah in general and on Shabbos in particular (see his Hilchos Talmud Torah, ch. 4, par. 2). And, of course, the important thing of Limud HaTorah is that it leads to action, namely the fulfillment of the Mitzvoth.

Receipt is enclosed for your Tzedoko, and may it additionally stand you and yours in good stead.

With blessing *M. Schneerson*
