TO ALL PARTICIPANTS IN THE LUBAVITCH-SECOND EUROPEAN STUDENTS CONVENTION

Greetings and Blessings

I was pleased to be informed of your encounter during the days of
Rosh Chodesh Adar Sheni, may it be blessed with great success.

Especially as your get together is taking place in the beginning of
the month whose holiday is Purim, the story of which you surely know.
No doubt you also know that it was on account of the Jewish youth in
those days, who followed the teachings of Mordechai and Esther and were
devoted to Torah and Yiddishkeit with all their hearts, that the cruel
Haman was toppled, and for the Jews there was once again -LIGHT, JOY,
GLADNESS AND HONOUR -.

The story of Purim shows how important it is for Jewish youth to
learn Torah and do Mitzvos with ever increasing devotion, not only
for their own sake, but also for the sake of all our Jewish people.
For in this way, G-d helps us to get rid of all our enemies and Jews
everywhere can enjoy the light of Torah and Mitzvos, and all G-ds
blessings that come with the Torah and Mitzvos.

Wishing you HATZLOCHO in all above and a very happy PURIM.

With blessings
