Greeting and Blessing:

Your letter of the 19th of Tammuz, with enclosure, reached me with considerable delay. As requested, I will remember you in prayer for the fulfillment of your heart's desires for good.

The Zechus of your advancement in Yiddishkeit, which you will surely maintain on the upgrade, will stand you in good stead to receive G-d's blessings in all needs. So will also the Zechus of your Tzedoko bring you and yours additional Divine blessings.

As for the question of moving to some other place, it would be advisable to consult with knowledgeable friends, with whom your situation could be candidly and fully discussed, and it is written, "Help comes with the abundance of counsel."

Wishing you and all yours a Kesivo vaChasimo Tovo, for a good and sweet year,

With blessing,

M. Schneerson
