Blessing and Greeting:

I am in receipt of your letter of the 26th
of Adar I, which reached me with considerable de-
lay. As requested, I will remember you for the
fulfillment of your heart's desires for good, in
all the matters about which you wrote.

There is surely no need to emphasize to you
that every additional effort in matters of Torah
and Mitzvoth, though a must for their own sake,
widens the channels to receive G-d's blessings in
all needs, including in areas beyond human reach.

Enclosed is a copy of a general message, which
I trust you will find useful.

With blessing,
