Greeting and Blessing:

I am in receipt of your letter of March 30th. If you will let me know your Hebrew name, together with your mother's Hebrew name, as well as the same in regard to your wife, I will remember you both in prayer.

Since all blessings come from G-d, every additional effort in matters of Yiddishkeit, Torah and Mitzvoth, though a must for its own sake, widens the channels to receive G-d's blessings. Included in the above is, of course, also strengthening Bitochon in G-d, whose benevolent Providence extends to each and everyone individually, and this also lessens anxiety and worry.

In addition to the above, it is advisable to have the Mezuzoth in the home checked, as well as your Tefillin, and to be careful putting on your Tefillin every weekday morning. It is also important to be extra careful in regard to the Kashrus of foods and beverages.

May G-d grant that you should have good news to report in regard to all above.

Wishing you and all yours a Kosher and happy Pesach,

With blessing,
