Greeting and Blessing:

Your letter, with enclosures, of July 7th, reached me with considerable delay.

Your request for admission to our Yeshiva in the USA has been forwarded to the Yeshiva administration, and you will no doubt hear directly from them.

In the meantime, I take this opportunity of sending you the traditional blessing for a good and sweet year, and, especially, of expressing the confident hope that, without waiting for the confirmation of your admission, you already conduct yourself in a manner befitting a Yeshiva student, with regular periods of Torah study and the observance of Mitzvot in the everyday life. Moreover, since the commandments "You shall love your fellow like yourself" is the Great Rule of our Torah, you are surely endeavoring to exercise a good influence in your surroundings through a living example and by words coming from the heart which enter the heart."

Wishing you a
