Greeting and Blessing:

Your letter of 22/06/83 reached me with considerable delay.
As requested, I will remember you in prayer for the fulfilment of
your heart's desires for good.

There is surely no need to emphasize to you that all blessings
come from G-d, and that the channel to receive them is through
conducting the everyday life in accordance with His Will.
Therefore, every additional effort in matters of Torah and
Mitzvos, though a "must" for their own sake, widens these
channels.

With regard to the problems you mention, these are of a kind
that their proper solution can be found in consultation with
knowledgeable friends locally, with whom all details can be
discussed personally and frankly. And so it is written, "Help
comes with the abundance of counsel."

May G-d grant that you should have good news to report in all
above.

With the blessing of a Kesivo
vaChasimo Toivo for a good and
pleasant new year

M. Schneerson
