Dear Rabbi Schneerson:

Enclosed is JDC's check for \$4,000 in full payment of the budget commitment for the Lubavitch Program in Melilla for 1984.

JDC's participation is intended to cover 70% of the total cost and we would appreciate receiving from you, as soon as it is practical, a report of actual expenditures for the calendar year 1984.

With my best wishes,

Cordially yours,

Lowell Scher
Director of Finance
