Blessing and Greeting:

With the approach of Rosh Hashono, the beginning of the New Year, may it bring blessings to us all, I send you and all yours my prayerful wishes for a good and happy year, materially and spiritually.

With the traditional blessing of

שנה טובה ומבורכה

Cordially, *M. Schaver*

P.S. For reasons beyond my control, your letter and enclosures of Feb. 29th have been misplaced, and hence not acknowledged sooner.

The present letter, too, has inadvertently been delayed. However, this gives me an opportunity to express my satisfaction at seeing your son at a Farbrengen, particularly at Kos shel Brocho. I trust he conveyed to you my regards, as I requested him.
