To "Gan Yisroel" May G-d be with you

Peace and Blessing,

May the opening of "Gan Yisroel" and the entire duration of your stay there be with success in all, especially being that this is a Sabbatical Year, which is a Shabbos to G-d, and is auspicious for increased Torah study and observance of Mitzvos and to cause the emanation of pleasure - true joy - both physical and spiritual aspects. In these days took place the birth and redemption of the leader of our generation who sacrificed himself for the education and benefit of Jews and to hasten the fulfillment of the saying of King David the King Moshiach - Save me with your right hand to answer me that you should bring joy to the soul of your servant etc., Turn to me and be gracious, grant your strength to your servant and deliver (that which is expressed in the portion of the week) and a tribe will arise from Israel - referring to the redeemer, Moshiach and Yisroel will be valorous.

With blessings for the Holiday of Redemption.
