To All Participants in the
8th Annual Dinner of
Cong. Levi Yitzchok-Lubavitch
Hallandale, Florida

Greeting and Blessing!

I was pleased to be informed of the forthcoming Annual Event, taking place on Sunday, 19 Adar II, I extend congratulations and prayerful wishes to the distinguished honorees and all participants.

On the tenth of Shevat this year, we observed the thirty ninth Yahrzeit of my saintly predecessor, my father-in-law the Rebbe - thereupon entering the fortieth year of his passing - a highly significant milestone.

The Torah tells us that everyone in the 40th year of his activities (studies, activities), attains a deeper knowledge, a keener perception and a fuller appreciation of the eternal values, in which he has been and is involved.

It follows from the above that such understanding and appreciation calls for new dimensions in terms of one's dedication and participation in the ongoing and expanding activities and institutions that have been founded by the Rebbe and are conducted in his spirit and guidelines.

In light of the above, I am confident that all friends and supporters of Cong. Levi Yitzchok-Lubavitch will henceforth - in keeping with the new milestone - open even more fully their hearts, eyes, and ears to the vital activities of spreading and strengthening Torah and Yiddishkeit in your area.

May HaShem bless each and all of you with Hatzlocho in these, as well as in all your worthy endeavors, materially and spiritually.

With esteem and blessing

My Schneerson
