Greeting and Blessing!

With the approach of Shovous, the
Festival of Mattan Torah (Giving of
the Torah), may it bring good and blessing
to all our people Israel.

I extend to you my blessing in the
traditional expression used by my ven-
erable father-in-law, of saintly memory,
to receive the Torah with joy and
inwardness.

With blessing

P.S. Your correspondence of June, 2nd
has been received.
