Greeting and Blessing!

I take pleasure in acknowledging your kind felicitation of 26th of March, 1991, in connection with my birthday.

Your warm sentiments are all the more meaningful in view of the longstanding supportive relationship which our religious, educational institutions and youth-related programs have enjoyed in your country.

Indeed, as head of the worldwide Lubavitch movement, I am particularly pleased to have this opportunity of conveying to you my personal appreciation.

With prayerful wishes for your wellbeing and for the prosperity of your people and country, and

With esteem and blessing

Menachem Schneerson
