Greeting and Blessing:

I was pleased to be informed that Mr. Pearce is feeling better, though still experiencing some difficulty in walking.

As requested, I will again remember you both in prayer for improved and good health, so that you may both utilize the talents and capacities which HaShem has bestowed on you for the benefit of Yiddishkeit and truly good causes. And may all negative aspects be transformed into positive and joyous experiences, in the spirit of the Prophecy that these sad days commemorating the destruction of the Beis Hamikdash will be changed into days of gladness and rejoicing.

With esteem and
blessing

M. Schneerson
