Archer Abhishek Verma targets LA28 and CWG 2030 after missing Asian Games 2026

Compound archer Abhishek Verma stated his determination to return to the national team and target upcoming major global events after missing selection for the Asian Games 2026.

Abhishek Verma is one of India's most prominent compound archers, aiming for future international multi-sport championships including the Los Angeles Olympics and Commonwealth Games.

KEY EXAM POINTS

- **Abhishek Verma** is recognized as India's most decorated **compound archer**, with a career spanning multiple international podium finishes.
- The **37-year-old** athlete missed selection for what would have marked his fourth consecutive appearance at the **Asian Games**.
- Despite missing the **2026 Asian Games**, Verma is actively targeting a return to the national team for the **2028 Los Angeles Olympics**.
- He has also set his sights on competing in the **2030 Commonwealth Games** scheduled to be held on home soil.
- **Verma** has taken solace in the performances of younger archers whom he has previously mentored in the sport.

DID YOU KNOW..!?

Archery was first introduced as a medal sport at the modern Olympic Games in **Paris 1900** and featured consistently since **1972**.

The Asian Games is a continental multi-sport event recognized by the **International Olympic Committee** and held every four years.

India won its first individual archery medal at the **Asian Games** through silver in recurve events during earlier editions.

The **Commonwealth Games** federation organizes multi-sport events involving member countries of the Commonwealth of Nations every four years.

Compound archery features mechanical pulleys and sights to aid precision, unlike **recurve archery** which is part of the official Olympic program.

The **Arjuna Award** is India's premier national sports award recognizing outstanding achievement in international sports competitions.

REVISION FLASHCARD

Compound archer Abhishek Verma is targeting the 2028 LA Olympics and 2030 CWG after missing the Asian Games 2026.

Syllabus Relevance: Important for TNPSC Group 1 and Group 2 current events questions covering Indian athletes and international sports championships.
